

Wash up for the Clan Baird Council Meeting

dated 10th October 2020 at 10.00pm BST

Presided by Richard Baird, Commander.

1) Raising the profile of Clan Baird worldwide.

Advertising in Highland Games' schedules ? Regionalisation of Clan Organisations ? I have raised the concept of Country Organisations being independent, but affiliated to CBSW, which is being explored.

A presentation was given by Sandy Baird, CBWS 1st President about the work being done to form Affiliates in different countries around the world. John Baird, CBWS Board Member, addressed the Council on his thoughts in starting a group in New Zealand, which is exciting news.

2) Q&A for Petitioner for Chief.

It has been requested that Sir James should give a short presentation to the Council regarding his petition to the Lord Lyon and his aims and goals for Clan Baird should his petition be upheld.

Sadly Sir James was unable to attend the meeting due to the lack of an internet connection. Hopefully this will be resolved before our next meeting.

3) Any other business.

Bruce Beard wants shorter meeting and more fun, which I will endeavour to comply with !! **Not perfected as yet, I'm afraid !!**

If anybody wants to propose any other matters, please let me know and I will add them to the Agenda ?

Discussion was had about the Clan Baird website www.clanbaird.org. It was raised that the Council page wasn't live at the moment, but this is now being rectified.

4) Next Meeting.

I propose holding another Meeting on Sunday 31st January 2021 @ 10.00pm UK time.
